INSTRUCTIONS: This form should be used for transmitting the ISSUE FEE and PUBLICATION FEE (if required). Blocks 1 through 5 should be completed where appropriate. All further correspondence regarding the Patent, advance orders and notification of maintenance fees will be mailed to the current correspondence address as indicated unless corrected below or directed otherwise in Block 1, by (a) specifying a new correspondence address; and/or (b) indicating a separate "FEE ADDRESS" for maintenance fee notifications.

CURRENT CORRESPONDENCE ADDRESS (Note: Use Block 1 for any change of address)

Note: A certificate of mailing can only be used for domestic mailings of the Fee(s) Transmittal. This certificate cannot be used for any other accompanying papers. Each additional paper, such as an assignment or formal drawing, must have its own certificate of mailing or transmission.

TOMIO SATOH

Serial No.: 10/813,342

Filed: March 30, 2004

For: PIEZOELECTRIC OSCILLATOR

Attention: Mail Stop PETITION

**PETITION TO REVIVE AN ABANDONED APPLICATION
UNDER 37 CFR 1.8(b) or 1.137(b)**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant in the above-identified application hereby petitions the Commissioner to withdraw holding of abandonment and issue a patent to the above-identified application, and Applicant makes this petition based upon the facts below:

1. The above-identified application, U.S. Serial No. 10/813,342 was filed on March 30, 2004;
2. After the Office Action of December 18, 2003 and a Response of March 4, 2004 to this Office Action, a Notice of Allowance was issued on December 22, 2005.
3. On March 22, 2006, an Issue Fee was paid with the Fee Transmittal Form PTOL-85 with a Certified Copy of the Japanese Patent Application No. 2003-097417 accompanied. The undersigned signed on March 22, 2006 the Fee Transmittal Form PTOL-85 and further signed the Certificate of Mailing printed on the Form PTOL-85 and then mailed in an envelop addressed to the U.S. Patent Office with a return postcard via the U.S. Postal Service with a sufficient postage using the undersigned's postage machine. In addition, the issue fee payment was made with our check (check number 44173) in the amount of \$1712.00 including the issue fee for \$1,400.00, the publication fee for \$300.00 and the fee of

\$12.00 for four (4) additional copies of issued patent. A copy of the Fee Transmittal Form PTOL-85 and a check-payment record are enclosed.

4. Furthermore, the Certified Copy of the Japanese Patent Application No. 2003-097417 was sent to the Patent Office with the above-described issue fee payment, and the transmittal letter for filing the Certified Copy was signed by the undersigned and included a certificate of mailing stating the date of deposit which was March 22, 2006. A copy of the transmittal letter for the Certified Copy ("Letter re Filing of Priority Document") and a copy of the cover of the Certified Copy are enclosed.

5. All of the above is also shown on the copy of the front page of the undersigned's file which is also attached.

6. Despite the fact above, the undersigned received a Notice of Abandonment on May 12, 2006 reasoning of the applicant's failure to timely pay the required issue fee and publication fee within the statutory period of three months.

7. The undersigned carefully investigated this matter and found that the return postcard sent with the Fee Transmittal Form PTOL-85 and the Certified Copy has not been sent back to the undersigned, and our check (check number 44173) for the amount of \$1712.00 has not been cashed. Accordingly, it is believed that the issue fee payment which the undersigned made was lost in the mail or in the Patent Office.

8. However, as described above and as clearly seen from the enclosed copies, the issue fee payment was duly made on March 22, 2006, which was the last day of the set period of time, pursuant to 37 CFR 1.8(a) and therefore should be deemed to be timely. Nonetheless, in view of the fact that our check for the issue fee payment has not been cashed, the undersigned hereby authorize the Commissioner to charge \$1,712.00 to the undersigned account number 11-1445. In addition, the undersigned will resubmit the Certified Copy (priority document) of the Japanese Patent Application No. 2003-097417 as soon as one is reissued by the Japanese Patent Office.

9. In view of the above, fee for the present petition is believed not to be required; however, if it is required or if the above petition is unacceptable, the undersigned hereby respectfully petitions to revive the present application pursuant to 37 CFR 1.137(b) and the Commissioner is authorized to charge the Petition fee of \$1, 500.00 in addition to the issue

fee amount of \$1,712.00 to Koda & Androlia Deposit Account No. 11-1445 owned by the undersigned, and the undersigned hereby states that the entire delay in filing the required reply was from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. In addition, since the present application was filed on March 30, 2004 and therefore on or after June 8, 1995, it is respectfully submitted that no terminal disclaimer is required.

10. In view of the above, it is respectfully requested that the present Petition be entered and granted and patent be issued promptly.

11. Please charge any additional costs incurred by or in order to implement this Petition or required by any request for extension of time to Koda & Androlia Deposit Account No. 11-1445.

The undersigned declares that all statements made herein are of my own knowledge and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

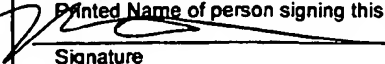

Respectfully submitted,

KODA & ANDROLIA
